**HEADLINE:** The Fisher Law Group Nears Implementation Of The CaseAware™ Software Suite

**BODY:**

**St. Louis, MO -- (April 12, 2006)** - KMC Information Systems, L.C. ("KMCIS") is proud to announce that The Fisher Law Group, based in Upper Marlboro, MD, has purchased the KMCIS CaseAware™ Product Suite, a complete Case Management System that includes Integrated Document Generation, Storage & Retrieval. The Fisher Law Group is also installing CaseAware™ Integrate software which will provide an automated, two-way transmission of data between the firm's Case Management/Accounting systems and the prevalent Default Services industry middleware platforms – iClear®, NewInvoice®, NewTrak®, Lenstar® and VendorScape®. KMCIS has completed all development, data migration, and system setup activities, and is working closely with The Fisher Law Group staff to finalize the firm-specific configuration of the CaseAware™ Suite.

Jeffrey Fisher, founder of The Fisher Law Group, said: "We can see that the CaseAware™ Suite will present a quantum improvement in our office. We will unify different systems, have better tracking, and less data entry. The KMCIS staff have been wonderful people to partner with to work through this transition and everyone at the Fisher Law Group is eagerly awaiting the rollout."

Peggy Gelinas, the Fisher Law Group's Office Administrator commented: "Having the best case management system and integration platform is a essential to our business. We chose CaseAware™ because it exceeds its competitors' offerings at a lower total cost of ownership. KMCIS has fulfilled their promises, and lived up to our expectations".

The Fisher Law Group, PLLC is a full service law firm providing representation to mortgage servicers, banks, financial institutions and private investors in connection with the resolution of their delinquent secured commercial and residential real estate mortgage portfolios in Maryland and the District of Columbia.

Headquartered in suburban St. Louis Missouri, KMC Information Systems is a full-service Software Development and Consulting Company dedicated to implementing quality solutions for the Legal, Mortgage, and Title industries. KMC Information Systems' Professional Services group provides support for custom application development, system administration and support, and business process and technology consulting.
