**HEADLINE: Dyke, Henry, Goldsholl & Winzerling Finalizes Implementation of CaseAware™**

**BODY:**

**St. Louis, MO -- (February 23, 2007)** - KMC Information Systems, L.C. ("KMCIS") is pleased to announce that Dyke, Henry, Goldsholl & Winzerling, P.L.C. ("DHGW") based in Little Rock Arkansas, is completing implementation of KMCIS' CaseAware™ Suite. The suite consists of CaseAware™ Manage and CaseAware™ Integrate. CaseAware™ Manage is a complete Case Management System that includes a dynamic workflow engine, automated Fee and Cost processing, and integrated Document Generation, Storage & Retrieval. CaseAware™ Integrate provides automated integration between the firm's Case Management/Accounting systems and the prevalent Default Services industry middleware platforms including – Countrywide®, Lenstar®, NewTrak®, VendorScape®, Quandis®, iClear®, and NewInvoice®.

Rosanna Henry, a DHGW founding member says "Our firm has been committed to one time data entry through technology since 1995, and we have seen its value and efficiency for clients and employees. Consistent workflow and communication is essential to our effective and timely representation, and as our implementation date draws near we are absolutely assured and confident that the CaseAware™ Suite will take Dyke, Henry, Goldsholl & Winzerling P.L.C. to its next level of technology, and the anticipation has electrified the air at our firm."

The following statement comes from KMCIS' COO, Dan Cannon, "the DHGW team has been an outstanding partner throughout the implementation of this project. DHGW is clearly dedicated to the highest level of service to their clients. Their decision to implement CaseAware™ ensures that their operational goals will be supported by a flexible and scalable case management and integration system that will enable DHGW to maintain and expand their operations into the future without sacrificing the quality of their service offerings."

Dyke, Henry, Goldsholl & Winzerling P.L.C. was established in 1992 to provide effective, expedient and innovative legal services to the mortgage banking industry, in the states of Arkansas, Mississippi and Texas. Our team of skilled attorneys and experienced staff offer comprehensive services in foreclosure, bankruptcy, and evictions, and title defect resolution.

Headquartered in suburban St. Louis Missouri, KMC Information Systems is a full-service Software Development and Consulting Company dedicated to implementing quality solutions for the Legal, Mortgage, and Title industries. KMC Information Systems' Professional Services group provides support for custom application development, system administration and support, and business process and technology consulting.
