HEADLINE: Law Offices Of Jordan S. Katz Rolls Out The CaseAware™ Suite

BODY:

St. Louis, MO -- (July 31, 2007) - KMC Information Systems, L.C. ("KMCIS") is pleased to announce that The Law Offices of Jordan S. Katz ("JSK"), located in Melville NY, has completed its implementation of KMCIS' CaseAware™ Suite. The suite consists of CaseAware™ Manage and CaseAware™ Integrate. CaseAware™ Manage is a complete Case Management System that includes a dynamic workflow engine, Automated Fees and Costs, and integrated Document Generation, Storage & Retrieval. CaseAware™ Integrate provides automated, two-way transmission of data between the firm's Case Management/Accounting systems and the prevalent Default Services industry middleware platforms including – Clarifire®, Countrywide®, Lenstar®, NewTrak®, Quandis®, VendorScape®, iClear®, NewInvoice® and Walz®. Additional implementation actions performed by KMCIS include the interface to JSK's QuickBooks® Accounting System, migration of data out of Time Matters® (JSK's former CMS) into CaseAware™ Manage and the incorporation of HotDocs® and CaseAware™ into a common processing environment.

Jordan S. Katz, the founder and managing partner of the firm has this to say about KMCIS & CaseAware™, "We expect CaseAware™ to streamline our process and provide robust reporting on a case by case basis. We look forward to the integration that CaseAware™ will provide to the various proprietary industry systems that we work with on a daily basis. To date, the KMCIS team has provided instantaneous responses to each and every concern that we have had and have proven to us that CaseAware™ will, indeed, provide support for all of our concerns on a system wide basis."

Dan Cannon, the COO of KMCIS remarked, "From our initial conversation, Mr. Katz and his firm have made it clear that they need the most effective and efficient tools and technology available. Throughout the implementation of CaseAware™, Mr. Katz and his staff have demonstrated leadership and attention to the needs and requirements of their clients through well-planned process decisions and confidently applying those procedures through CaseAware™. We congratulate JSK on completing its CaseAware™ implementation, and thank Mr. Katz and his firm for their commitment to KMCIS as a business partner and for making the CaseAware™ Suite a significant part of its technology for the future".

Through well-managed growth, The Law Offices Of Jordan S. Katz provides specialized legal representation with a personal touch. Adapting to the technological needs of our industry, the firm is skilled at integrating new software systems that will insure that we remain above the curve in this ever-changing area. The Firm believes that interfacing with its clients allows it to provide instantaneous and accurate reporting information as well as streamlined document exchange. It is with this commitment that The Law Offices of Jordan S. Katz believe CaseAware™ will take the firm to the next level.

Headquartered in suburban St. Louis Missouri, KMC Information Systems is a full-service Software Development and Consulting Company dedicated to implementing quality solutions for the Legal, Mortgage, and Title industries. KMC Information Systems' Professional Services group provides support for custom application development, system administration and support, and business process and technology consulting.
