Holly Ceritto, MTC's Managing Partner states, "This system is truly amazing. It is as if someone asked me for my wish list for a Case Management System and granted every one. I get a kick out of hearing my staff squeal with glee each time they discover a new feature!"

Dan Cannon, the KMCIS COO comments "KMCIS thanks MTC for it's selection of the CaseAware Suite. The implementation is underway and we are making rapid progress. The automation and scalability that CaseAware provides will enable MTC to accommodate the dramatic growth they anticipate as the Firm further establishes its presence the current Default Services legal marketplace".

With partners that have over a decade of default service experience representing creditors, Marinosci Tiernan & Ceritto, PC are no strangers to the ever-changing legal needs of the mortgage servicing industry. In a time where recklessly speeding through the process is "common practice", MTC maintains excellence others strive to achieve.
