HEADLINE: Rosicki, Rosicki & Associates Completes Production Deployment Of The CaseAware™ Suite

BODY:

St. Louis, MO -- (May 26, 2009) - KMC Information Systems, L.C. ("KMCIS") is pleased to announce that Rosicki, Rosicki & Associates, P.C. ("RR&A"), based in Long Island, New York, has completed its implementation of KMCIS' CaseAware™ Suite. The suite consists of CaseAware™ Manage and CaseAware™ Integrate. CaseAware™ Manage is a complete Case Management System that includes a dynamic workflow engine, Automated Fees and Costs, and integrated Document Generation, Storage & Retrieval. CaseAware™ Integrate provides automated, two-way transmission of data between the firm's Case Management/Accounting systems and the prevalent Default Services industry middleware platforms including – Clarifire®, Countrywide®, LPS Desktop® (NewTrak®, NewInvoice®) Lenstar®, Quandis®, VendorScape®, iClear®, Walz®, ASAP, RSVP, ProVest, Players National Locator, TSG and Texas Title Interfaces.

Craig Wolfson, partner at RR&A said "Utilizing CaseAware™ has made RR&A more efficient and therefore, much more productive. We most appreciate the flexibility of CaseAware™ Manage which has given us the ability to adapt the system – without programming and additional development costs – to meet RR&A's unique needs and requirements as well as those of our clients. The tremendous automation provided by CaseAware Integrate will ultimately result in shortened timelines and higher scoring on client "report cards". The CaseAware implementation team made what is often a tedious and drawn out process both smooth and effective, and KMCIS' support staff has been very helpful and responsive since our Production deployment."

Dan Cannon, the COO of KMCIS made the following remarks "KMCIS extends a big Thank You to Rosicki, Rosicki & Associates for their decision to switch to the CaseAware™ Suite, and our most sincere congratulations on the completion of the CaseAware™ Implementation. It is no small task for a firm with a large intrastate practice as well as a national outsourcing practice to deploy a system that impacts every aspect of its business. RR&A remained focused, and diligently completed their implementation and configuration activities in a very timely fashion. KMCIS is also honored to learn that CaseAware™ has been incorporated into RR&A's national marketing strategy, and we look forward to supporting their on-going success."

Rosicki, Rosicki and Associates, P.C. is the leading mortgage banking law firm in New York State, and the largest single law firm in New York in the combined areas of Foreclosure, Bankruptcy, Closings, Evictions, and Outsourcing. RR&A's main office is located in Plainview (Long Island), and they have two other offices in New York – Fishkill (Dutchess County) and Batavia (Genesee County). RR&A is committed to its clients with a win-win philosophy and a long-term perspective. We have created a diverse organization where people of every background and ability, including the twenty percent of our organization who have a physical or mental disability, are provided with the opportunity to grow both personally and professionally by developing their God-given talents. The firm is focused on being a force for good in the world. For additional information about Rosicki, Rosicki & Associates, please visit the Firm's website at <http://www.rosicki.com>.

Located in suburban St. Louis Missouri, KMC Information Systems is a full-service Software Development and Consulting Company dedicated to implementing quality solutions for the Legal, Mortgage, and Title industries. KMC Information Systems' Professional Services group provides support for custom application development, system administration and support, and business process and technology consulting.
