**HEADLINE:** Sykes, Bourdon, Ahern & Levy Completes Production Deployment Of The CaseAware® Suite

**BODY:**

**St. Louis, MO -- (February 19, 2010)** - KMC Information Systems, L.C. ("KMCIS") is pleased to announce that Sykes, Bourdon, Ahern & Levy, P.C. ("SBAL"), based in Virginia Beach, Virginia, has completed its implementation of KMCIS' CaseAware® Suite. The suite consists of CaseAware® Manage and CaseAware® Integrate. CaseAware® Manage is a complete Case Management System that includes a dynamic workflow engine, Automated Fees and Costs, and integrated Document Generation, Storage & Retrieval. CaseAware® Integrate provides automated, two-way transmission of data between the firm's Case Management/Accounting systems and the prevalent Default Services industry middleware platforms including – Clarifire®, Countrywide®, LPS Desktop® (NewTrak®, NewInvoice®) Lenstar®, Quandis®, VendorScape®, iClear®, Walz®, ASAP, RSVP, ProVest, Players National Locator, TSG and Texas Title Interfaces.

Ralph Dempsey, SBAL's Operations Manager said "We decided to go with CaseAware® not only because we believed it would greatly enhance our workflow capabilities, but also we felt the information captured by the package would assist us in the management and control of our practice. The people at KMCIS could not have been more helpful through the entire installation process. They continue to give us great support."

Dan Cannon, the COO of KMCIS had the following comments "KMCIS wishes to thank Sykes, Bourdon, Ahern & Levy for the selection of CaseAware®, and congratulates them on completing their implementation. The CaseAware® implementation team and staff at SBAL were thorough and knowledgeable in defining the operational processes and business rules incorporated into SBAL's configuration of CaseAware®. KMCIS eagerly looks forward to serving SBAL's growing Default Services practice for many years into the future.
